DEBATE with artists

Stars at 11:15 CET.

This debate will give you a unique opportunity to get to know the profiles of **activist artists** who, through art, strive to transform their everyday surroundings in Poland, Portugal and Spain. The artists will present their most important achievements while participants will be able **to ask questions**.

Attendees will be able to participate in the debate **in person**, however, thanks to the use of the latest technology, **participants from all over the world will also be able to join the debate - via zoom**.

A link will be provided to registered guests before 4/11.
