Shortly about our Foundation...

A young organization with experienced staff

Fundacja Cooperacja was established on November 14, 2019, out of friendship and a combination of experience and passion of its two founders, Monika Pawlak and Ewelina Lasota.

We met 9 years earlier in another organization, where we coordinated an international Grundtvig partnership project together.

What do we do?

7 STRATEGIC PRIORITIES
OF OUR FOUNDATION

we support people with migration experience and refugees in the integration process

1

Language

- Polish language classes in Leszno and region:
 - different teaching levels and age groups
 - group and individual
 - conducted by polish philologists

Culture

- joint visits to the Museum, the Library, participation in the open-air cinema and music festivals
- informing about free events in the neighborhood

Integration

- bonfire with a treasure hunt for Polish and Ukrainian families
- evening with Polish culture online (Independence Day) and interactive quiz

Information

- Mobile infopoint for foreigners in our region:
 - individual counselling
 - meetings with experts (municipal services, officials, etc.)

we increase access to culture and expand the cultural offer in the region

2

Excursions and study visits

- Organizacja wycieczek do instytucji kultury dla dzieci ze Szkół Podstawowych na wsiach

Culture at your fingertips

- Organizing handicraft workshops in rural areas

we promote and protect tangible and intangible cultural heritage

3

An interactive walk

- Creating commemorative signs and film recordings in which the inhabitants of two villages in the Lower Silesian province share the history of the places and their memories

Renovation

- Restoration of a historical well in a village in Lower Silesia as well as cleaning the surrounding area to create a place for integration

we stimulate social and civic activity and promote democracy

4

Youth policy

- We educate young people on youth policy issues, participation, and create a space to interact with decision makers

Initiatives

- We support local initiatives and help turn dreams into actions

we promote well-being, physical activity and contact with nature

5

Faceci do lasu!

- Outdoor and bushcraft group, with meetings every second Sunday, trips, campfires, nights out in the woods

Wellbeing

- Training
- foundation's philosophy ;)

**We engage in and initiate various activities,
projects and campaigns
on anti-discrimination and equality**

6

we conduct educational activities using non-formal education methods

7
